## A New Ministry, Sabbatical, and Reflections

In November, I had the opportunity to talk with some folks about a new ministry at Bethel. This new ministry is connected to the sabbatical time away I will have in 2020 (June 10 - Sept. 10). Throughout this year, we are all invited to participate in small groups that will take the Intercultural Development Inventory (IDI) and work together to close the gap each of us have between how "woke" we think we are and how "woke" we actually are when it comes to understanding the differences and similarities between various cultures. [I am going to call this process *closing your 'woke' gap*.] *This particular inventory is very strong in providing particular information and suggestions for participants to grow in faith, love and respect for one another.*

At the beginning of 2020, you will see a chart that includes some timing information about each Bethel small group that will participate in this ministry. All who are interested will be asked to attend an initial meeting, take an on-line survey, meet individually with the facilitator, meet as a group with the facilitator, and finally work (as a group, as well as individually) to close your gap of development. Although that may sound like too many meetings, I promise you that this process is well worth your time and well-being. And you and your group gets to decide when you will meet, how often, and where. So, some groups might be together for 4 months, some over a year, another somewhere in-between.

To help scheduling, Dr. Jen will become an official IDI facilitator in April of 2020, so that we have access to someone right here at Bethel. I will also be trained in October of next year. Prior to that time, we will be using other facilitators for our small groups who begin this process before April of 2020. There are several local facilitators that I know and trust to treat you well!

Some of the things you and your group might do to *close your "woke" gap* include *reading and discussing books, watching particular movies, listening to certain podcasts or watching particular TV shows, eating in an area of the cities where you are the minority, stepping outside your cultural comfort zones, and seeing special speakers both inside and outside of Bethel. All with the support of your small group, so you know you are not in this alone.*

So, who wants to join a small group? Look for our sign up sheets in early January!

(From the Pastor - continued from page 1)

As for me ... I will be working alongside all of you as you start your small groups. Reading various books to work on *closing my "woke" gap, and helping a task force provide some speakers and movies from which to learn. Although I will be gone for three months of 2020, I will spend some of that time continuing my IDI work as Mary and I go on a four week vacation overseas. We look forward to finding places where various cultures cooperate and collide in London, The Netherlands, Norway, Belgium, and Germany. We will also rest and play while we are on this vacation together.*

The other eight weeks of my sabbatical time will include a couple of retreats, fishing, family, rest, learning ASL, relaxing, and preparing for my return to Bethel. I look forward to sharing this entire ministry process with all of you! Thank you for your support and understanding my need for a sabbatical.

With you, for Jesus,

*Pastor Brenda*

Thank you to the 38 people/families who have already turned in their Promise Cards for 2020. Each gift matters to our mission and ministry here at Bethel. The information you provide is very helpful as we begin to budget for next year. For those of you have not yet turned them in, please do so as soon as you are able. **Thank you!**

**Congratulations to Franklin, Stella, Lizzy and Michael on their Affirmation of Baptism. We look forward to your continued participation in ministry and leadership!**

Stewardship...seems that it's known as a word that makes people uncomfortable at times. And not only for people in the congregation, but for church leaders too. You know, it doesn't have to be a difficult thing to talk about. How about a joke to lighten the mood? Here's a good one:

*A strongman at a circus squeezed the juice from a lemon between his hands. He then said to the audience, "I will offer \$200 to anyone in the audience who can squeeze another drop from this lemon." A thin scholarly looking woman came forward, picked up the lemon, strained hard and managed to get a drop. The strongman was amazed. He paid the woman and asked, "What is the secret of your strength?" "Practice," the woman answered. "I was the treasurer of a Lutheran Church for thirty-two years!"*

Now, that's better isn't it? Maybe a little? When money is tight, it can be difficult to listen about stewardship. But in helping your church to be able to continue all the work it does and the help that it gives, you also receive benefits from the Lord many, many times over.

And keep in mind that the Bible takes a very healthy and positive approach to the subject of giving. It does not treat the subject as taboo. Instead, it seems to *over-emphasize* it.

In the Bible, giving is a way to honor God (Malachi 3:10).

It is an expression of a redeemed life (Matthew 5:24).

It is a sign of trust and confidence in God; an investment in the future (Luke 6:38).

Giving helps others in ways that they could not help themselves (Acts 11:29).

And giving is something that every household in every church is expected to do (1 Corinthians 16:1-2).

Please keep these things in mind when you hear the word "Stewardship." Thanks for reading!

~Jerry Johnson, Stewardship Committee

## Board of Administrators

We are so grateful for the gift Evelyn Froise gave us as part of her will. Your board is prayerfully considering how to use this gift. As a reminder, when we receive bequests, we do a 10-10-10-70 split. We give 10% to our general fund; 10% to our reserve fund; 10% is tithed to a cause the donor cared about, and the remaining 70% goes to advance our mission. If you have ideas for us, please tell a board member or send me an e-mail.

You'll see several trees being removed and trimmed this winter. On our property we have trees that have diseases - specifically Dutch Elm and Emerald Ash Borer. We'll be very sad to lose these trees. We have applied for a tree grant (thanks to Don Olson) and if we are a lucky recipient, we'll be able to replace all of them. If not, stay tuned.

As always, please let me know any questions and ideas you might have! I love to hear them.

Gratefully, Ann Allison, President

Hello parents of our children and youth!

You are all invited to bring your kids to participate in our Advent and Christmas Worship Program led by our children and youth! This year we are trying something different and we hope you will enjoy this extension of the story.

Practice begins Sunday, December 1 for a two-part story. Practice continues on December 8 & 15, as well as January 5, 2020.

The two programs will be on

Part One: **Sunday, December 15 at 10:30 AM**

AND Part Two: on **Sunday, January 5 at 10:30 AM.**

This way we will be able to tell the story right up to the birth of Jesus - just before the birth of Jesus ... and tell the story after Jesus' birth on Epiphany Sunday - which is the day we celebrate the coming of the Wise Folks.

This program also allows the congregation to participate in unique ways and it looks to be quite a blast!

We hope you join us! Pr Brenda

#### Feeling a Little Blue for Christmas

Sure, there's lots to be joyful about as we approach Christmas. However, the shorter days and colder temperatures don't leave everyone full of good cheer. Add in a feeling of frenzy from the rush of the season, and it already begins to feel a little overwhelming. Add in even more, a job loss or change, the loss of a loved one, a change in health, a strained friendship, a move, and it can begin to feel like we are out of sync with the joy being expressed at every turn. You are invited to rest awhile in silence, in quiet music, and in the glow of candlelight for a **Blue Christmas Taize service on December 13 at 7:00 p.m. at Minnehaha United Methodist Church (3701 E. 50<sup>th</sup> Street, Minneapolis)**. Whether you need an opportunity to just sit still for a little bit, or you are looking for a way to acknowledge feelings of loss or depression, join with others for an hour of reflection and rest as we continue to find God's presence in the midst of wherever we are. Child care will be available during the worship service.

Christmas Carols

Take a minute or two now and name as many Christmas carols/hymns as you can. Now, do the same with Lenten hymns. How is it that most people can name many more Christmas hymns than Lenten ones when the season of Lent is much longer and there are 30 percent more Lenten hymns than Christmas ones in the hymnal?

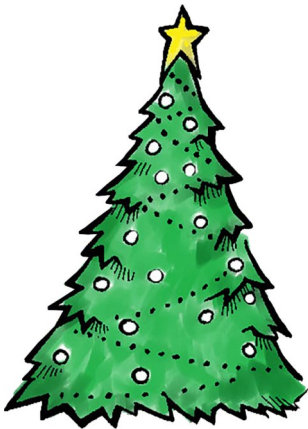

Some of the most recognizable music in churches today is heard around the Advent and Christmas season. There’s something touching when the music of *Silent Night* is sung and heard in candlelight; something reminiscent when the words of *Away in a Manger* are sung. The combination of Advent and Christmas pageants, families and friends gathering together for Christmas church services, and the joyful message of the entire Christmas season all result in many Christmas carols stuck in our minds with feelings of peace and beauty. It is not that Christmas carols are written differently than other hymns that they are so memorable, but the occasions that they are paired with that leave us with lasting memories of them.

*Silent Night* celebrated its 200<sup>th</sup> anniversary last year and has been a celebrated carol translated into hundreds of languages worldwide and sung by everybody from Bethel churchgoers to Mariah Carey. But there are some carols that date even further back. The popular Advent carol, *O Come, O Come, Emmanuel’s* tune dates back to the 15<sup>th</sup> century. Many carols were popularized by other composers who used the original tune to create their own variations and settings. One of the tunes that was a popular choice for composers was the 15-verse hymn, *From Heaven Above*. The vast number of organ arrangements by dozens of composers over centuries showed that the simple melody allowed for these variations to be written and the importance of the text tied to those notes.

The service of *Nine Lessons and Carols* was popularized at King’s College Chapel, Cambridge, England in 1918 to engage a weary, unenthusiastic church crowd. This pairing of readings and music brought people together to hear the great word of Jesus’ birth. The service is still held to this day every Christmas Eve where it is broadcast live to millions of listeners worldwide. The opening hymn, *Once in Royal David’s City*, is sung by a solo boy chorister who is identified only seconds before the music begins to avoid excessive anxiety. Old and new carols are performed every year with new ones being composed by the college’s choirmaster yearly.

So many carols, so little time! I hope the carols you hear this Advent and Christmas season will remind you of the past, bring you peace in the present and make memories for the future.

Soli Deo Gloria,  
Phil Radtke  
Music Director
